

Playful Paws Inc. Legal Waiver

Playful Paws Inc. is responsible for providing your pet with water, entertainment, basic grooming upon request, training and a temperature controlled sheltered environment. However, we strive to provide a home like, safe, interactive, and happy setting for your dog(s).

You are permitted to bring anything you wish to help your dog enjoy his or her stay but it is at the staff's discretion as to whether or not the items are placed in the daycare or in with them during their nap times. We are not responsible for lost, chewed, or damaged items. We ask that you do not bring items of monetary or emotional value to the daycare.

We take all possible preventative measures to ensure that your dog does not injure themselves or others; however, injuries can occasionally happen. Daily nicks, scrapes, and cuts can happen from rough housing and playing. Any concerns of mild or severe injuries will be addressed with owners and management/staff. Playful Paws screen and provide assessments for all the dogs that come to Playful Paws Inc. for daycare services. The dogs must have appropriate social skills and behaviours in order to play as a group in "regular" daycare. We are not responsible for injuries caused by other dogs to your dog when staff and management did all possible as a preventative.

If your dog injures another dog while at daycare or classes in an aggressive manner you, as the owner, will be responsible for the treatment/care of the injured dog. We at Playful Paws Inc. do assure you that all measures possible will be taken to keep your name and dogs name confidential. Your dog will then be on suspension pending management speaking to the staff that was on site. Management will then decide upon a proper action to be taken, whether it is permanent or temporary.

If your dog becomes ill or injured and you cannot be contacted by the phone numbers or emails you have provided, we will contact your vet on file and consult with them. If your vet feels they can remain with us, we will separate them from the group and keep him or her quiet and comfortable until pick up. If your vet is unable to treat your dog or if your dog is in serious condition, we reserve the right to use our emergency contact veterinarian hospital of Burnside Animal Hospital or Metro Emergency. You will be responsible for all expenses related to the incident including but not limited to transportation fee, medical treatment, used emergency supplies. We will not be held responsible for any sickness or injury caused by the pet to itself. Playful Paws Inc. is not responsible for any accidental death of pet of the nature of pre-existing health condition or natural disasters (fire, storm, flood, etc.).

While all measures of cleanliness and up keeping vaccinations, will be taken by us and our staff, your dog still could be exposed to multiple "bugs" while interacting at daycare. We assure you that all surfaces are cleaned daily and that all animals attending have been vaccinated. There is however, still the spread of common cold viruses and while your dog will be vaccinated for "Kennel Cough" he/she can still transmit and or catch a different strain of the virus.
