LEGAL WAIVER FOR ALL SERVICES

DAYCARE SERVICES–

Playful Paws Dog Daycare & Training Facility is responsible for providing your pet with water, entertainment, basic grooming upon request, training upon request, and a temperature controlled, sheltered environment. However, we strive to provide a human daycare like, safe, interactive, comfortable, and happy setting for your dog(s).

You are permitted to bring anything you wish to help your dog enjoy his or her stay but it is at the team's discretion as to whether or not the items are placed in the daycare or in with them during their nap times. We are not responsible for lost, chewed, or damaged items. We ask that you do not bring or leave, items of monetary or emotional value to the facility.

Playful Paws screens and provides assessments for all of the dogs that attend daycare services. All dogs must have appropriate social skills and behaviours in order to play as a group in "regular" daycare. We are not responsible for injuries caused by other dogs to your dog when the team has done all possible as a preventative. We take extensive preventative measures to ensure that your dog does not injure themselves or others; however, injuries can occasionally happen. Daily nicks, scrapes, and cuts can happen from rough housing, other dog's nails, puppy teeth and playing/wrestling. Any concerns with mild or severe injuries will be addressed with owners and the entire team, once the incident and attending dogs are under control.

If your dog injures another dog while participating in any of our services, in an aggressive manner, you, as the owner, will be responsible for the treatment/care and expenses related to the injured dog/s. We at Playful Paws do assure you that all measures possible will be taken to ensure the health and safety of all. Should an incident occur we intend to keep your name, your dogs name/breed confidential. Your dog will then be assigned disciplinary action. This outcome will be determined on an incident related basis, and by the team. Results can include permanent or temporary suspension.

If your dog becomes ill or injured and you cannot be contacted by the phone numbers or emails you have provided, we will attempt to reach your emergency contact on file. If there is no such contact or they are not available, we reserve the right to use Metro Animal Emergency, 4 Paws 24 Hour Veterinary Clinic or any veterinarian who can see an emergency. If your dog is injured through poor actions of its own, you will be responsible for all expenses related to the incident including but not limited to transportation fee, medical treatment, and used emergency supplies. If your dog becomes injured due to nothing related to the facility you will also be responsible for all expenses. We will not be held responsible for any sickness or injury caused by the pet to itself or through normal play. Playful Paws is not responsible for any accidental death of a pet by the nature of pre-existing health condition or natural disasters (heart condition, fire, storm, flood, etc.).

While all measures of cleanliness and proof of vaccinations will be taken by the team, your dog could still be exposed to multiple “bugs” while interacting at daycare. We assure you that all surfaces are cleaned daily and that all animals attending have been vaccinated. There is however, still the spread of common colds, and stomach viruses and while your dog will be vaccinated for such things as “kennel cough” he/she can still transmit and or catch a different strain of the virus.

You affirm that your dog is up to date on required vaccinations: Rabies (if/when old enough), Distemper, Parvovirus, and Bordetella. You understand that regular vaccinations cannot completely guard against illness and disease, and that Playful Paws cannot prevent, nor be responsible for any illness your dog may contract. Playful Paws shall not be liable for any illness or ailment which a dog may incur while in the presence of other dogs or owners while participating in any of our services in the facility, or not.

We reserve the right to charge additional fees for services we consider over and above the norm covered by our standard rates. We also reserve the right to refuse service to customers whose pet may pose a threat to us or to the other pets left in our care, whether it be an aggression problem, health problem, or parasite problem. Owners agree to be responsible for any property damages created by their pet that exceed the normal daily wear.

TRAINING: IN HOME, IN FACILITY, ONLINE –

The success and outcome of an individual's results from Playful Paws training techniques, depends on the level of commitment of the owners and results may vary on a case-by-case basis. We make no warranty that services will meet your requirements or that the service will be uninterrupted or error-free, or that the results that may be obtained from the use of these services will be un-changed, or will meet your particular expectations. Handlers and/or owners remain responsible for their dogs at all times and are advised to ensure they have adequate pet or household insurance coverage for liability in the unlikely event of damage or injury caused by their dog to property or to a third party.

You, as the dog owner, are fully responsible for the actions of your dog if it causes any damage whatsoever, including, but not limited to, death, damage or injury to itself, or death, damage or injury to other animals, pets, people and property while in training with Playful Paws either at their facility or in public areas.
